I have some fabulous new properties at Valley Park Studios and also some availability at The Green House and Regent House where several exhibitors have stayed before, I have put together some deals below which I know you will find attractive. All our properties are furnished to a very high standard, they have fully equipped kitchens, spacious living / dining areas and WIFI and are a much more economical alternative to a hotel, and offering more space and flexibility than a B and B. Please send all enquiries via email to [enquiries@nightspace.co.uk](mailto:enquiries@nightspace.co.uk), quoting Noelle / Grand Sale.

- The Green House and Regent House apartments are good quality 4 star properties, well located in central Harrogate. A 2 bedroom apartment which can sleep up to 4 people I can reduce to £120 per night if staying for a min 4 nights. ( £30 per person per night based on 4 people sharing), full rate £150 per night.
- Valley Park Studios. These are brand new properties with an exceptional specification and very well located, they offer excellent value for money. I can offer these properties at the same rate as above exclusively for your guys if they stay for a min 4 nights, full price £150 - £180 per night).
- We can offer deals on single and dual occupancy also, please send details through to [enquiries@nightspace.co.uk](mailto:enquiries@nightspace.co.uk), quoting Noelle / Grand Sale

I would be grateful if you could contact me as soon as possible, as we are getting booked up, I don't want you to run the risk of missing out and having to pay full whack hotel rates if you leave it too late!
